

# ELEPHANT TALES

## Chairman's Corner

Fellow Republicans,

As many of you heard me mention at January's breakfast, my hope is to challenge ourselves as a party to grow in a number of ways. One of my goals in 2020 is for the party to restart the Young Republicans group. These are folks from the ages of 18–40. Do you know any young people who have an interest in politics, government, or engaging in the community? Let's start to encourage them to attend breakfasts and let them know we will be starting the Young Republicans back up and they can be a part of it from the ground floor!

Zach Rodgers  
Wells County GOP Chairman
