

ELEPHANT TALES

Fellow Wells County Republicans,

We have a lot of craziness going on around us, especially nationally. With the Democrats leading the charge with inflation, high gas prices, trying whatever they can do to arrest Trump, calling everyone racist and in general, trying their best to destroy America from within, let's continue to do our part to keep that out of our community.

God bless each and everyone of you,
 Zach Rodgers
 Wells County GOP Chairman
