

ELEPHANT TALES

Fellow Wells County Republicans,

We are in the heart of primary season. Tens of millions are being spent to differentiate from each other at the Governor’s level. Millions at the Congressional level. My hope is that, especially at the local level, our primaries remain civil and policy differences is where the focus remains. Don’t forget to do your research on these candidates and ask questions that get to the heart of where they stand on the issues.

God bless,
Zach Rodgers, Wells County GOP Chairman
