

ELEPHANT TALES

Fellow Wells County Republicans,

As we enter the filing time period, we will see lots of people put their name out there for office. Let's give them a giant round of applause for stepping up to run. It takes a lot of guts to be out there in the spotlight, whether it's for State Delegate, County Commissioner, or Governor! 2024 will be filled with candidates trying to distinguish themselves from others but let's keep in mind, the vast majority of folks putting their name out there do so because they care about the community. Do your research and if you have questions about candidates, reach out to people you trust who can be honest with you. Good luck all!

God bless and Happy New Year,
Zach Rodgers, Wells County GOP Chairman
