

ELEPHANT TALES

Fellow Wells County Republicans,

We just experienced a first class event with our annual Lincoln Day Dinner. The 265 people who were able to attend (a record by the way) were able to hear from an amazing speaker in Seth Dillon, who shared with us the fight that we have on our hands. In case you weren't sure whether to believe him after his countless examples, some of the Lincoln Day Dinner facebook posts received warnings/disclaimers on them. We are living in the upside down world in many ways so it's our duty to make sure we band together as Republicans and push back.

God bless each and everyone of you,
 Zach Rodgers
 Wells County GOP Chairman
