

ELEPHANT TALES

Fellow Wells County Republicans,

Central Committee is very excited about this year's Lincoln Day and the keynote speaker of Will Witt. I believe you will certainly get a lot of laughs in while also being challenged to not sit idly by. We have an extremely strong Republican Party in Wells County but we need to maintain momentum to stay that strong. Let's join forces and make this a HUGE event!

God bless,
Zach Rodgers, Wells County GOP Chairman

Wells County GOP Happenings

Meet the Candidates

Districts 2 & 3 Commissioners are on the 2024 Ballot. District 3 has a Contested Race. Incumbent Jeff Stringer is Running Against Tamra Boucher. All Wells County Voters, no mater which district they live in, will elect the next Districts 2 and 3 Wells County Commissioners.

I am Jeff Stringer and am running for re-election for Wells County Commissioner District 3. My family and I moved to Wells County in 2008, where I have been involved in several business and building projects. I was

honored to be caucused in as the District 3 County Commissioner in 2021. My goals, as a commissioner, were and continue to be: 1) Bring transparency to county activities, 2) Recruit businesses to Wells County. 3) Work to insure taxpayer funds are used wisely and effectively, 4) Help structure Department Boards, so they are active participants in the processes they govern and manage spending.

Going forward, I will focus on limited and wise spending while continuing to work on Economic Development, opening Wells County to businesses that help retain our young people. I will continue to fight for what's right, doing it with full transparency I will continue to answer calls and listen to the citizens to make sure they are heard, and their concerns and needs are met. I have had the honor to serve and will continue to serve the people of the county and their well-being.

Tamra is a community leader with a passion for serving others. Throughout her career – which spans more decades than she cares to admit – she has worked in the insurance service industry, healthcare, and manufacturing. Tamra's business experience includes culture development and

leadership, strategic planning, community relations, marketing, human resources, and physician practice management. As a volunteer, Tamra has a great deal of experience in the non-profit world as a Board Member, fundraiser, event volunteer, and officer in many service and non-profit organizations. She has held leadership positions in The United Way of Wells County, Wells County Women United, Wells County Chamber of Commerce and Economic Development, Wells County Economic Development Council, Markle Town Council, and was a founding member of the Wells County Leadership Academy. She is a graduate of Ball State University where she studied Public Relations and Political Science. A native Hoosier, Tamra and her husband Joel of nearly 40 years reside in Markle.

Join us for a SUPER time at our Lincoln Day Dinner. Reserve you spots now until April 1. You won't want to miss this!
