

# ELEPHANT TALES

Fellow Wells County Republicans,

We are moving closer and closer to early voting. Democrats are trying to stir up trouble locally, state wide, and most obviously, nationally. It's never been more important to get everyone you know out to vote Republican! We need a resounding victory across the board in 2022 to send a message. Make sure you, your family, your friends, and your neighbors get out and vote Republican

God bless each and every one of you,  
 Zach Rodgers  
 Wells County GOP Chairman

## The Wells County Tusk Force Serves Our Community

*"There could be no definition of a successful life that does not include service to others."  
- President George H.W. Bush*

Wells County residents have been good to the Republican Party. They have supported us by their votes so that we hold a powerful majority. Now it is time for the party to thank the community for their faith in us. It is time for us to give back to the community and take to heart President Bush's quote.

The Wells County Tusk Force was created by the Central Committee so that the party can give back to and thank the community for all that we have received. We can do this by utilizing the party's TIME, TALENTS, and TREASURE. We can give back by using our treasure to sponsor community events like concerts, Street Fair, Bluffton NOW, etc. etc. We can give back by using our talents to prepare and serve food for Brianna's Hope, working at The Garage, feeding the first responders, etc. etc. We can give back by using our time to park cars at events, work at Parks Dept events, etc. etc.

The catch is that we need your help to do this. Tusk Force Chairman Rina Stuck says, "There's no better way to find yourself than by giving back to the community." As Tusk Force opportunities are planned and announced, please think about making a commitment to help us serve our community. If you're an elected official, what better way is there to get to know your constituents than to see them in

their own surroundings? If you're a candidate, what better way is there to meet the voters and to show them that you care? And for all of us, what better way is there to enrich our lives than through service to others?

We thank those of you who have already joined the Tusk Force and have given back to the community. Now, we need more of you to step up and help too. Remember, those who are the happiest are those who do for others.

We thank those of you who will make a commitment to join the Tusk Force in the future. If you are interested in becoming a part of the Tusk Force, please contact Rina Stuck, (260) 820-1964.
